- Tuesday through Thursday all black outfit is required
- All clothing must be plain: no patterns, logos, emblems, stripes, plaids, or writing may appear on the clothing, other than a TONI&GUY emblem.
- You may wear an approved apron over your clothing at all times on the clinic floor.
- Shoes may be any color but must have a closed toe and closed heel. Sandals and clogs are not permitted. Wear comfortable shoes as you will be on your feet all day.
- Socks, pantyhose, leggings, tights, or "booties" must be worn at all times. Leggings, tights, and hose must be in black dress code.
- Armpits and chest must be covered at all times.
- Slippers, house shoes, sweat pants, low cut blouses, tank tops, shorts, lingerie, see-through fabrics, and bare feet are not permitted.
- If you choose to wear skirts with a hemline above the knee, you must wear solid leggings underneath.
- Hats and sunglasses may not be worn in the academy.
- Any student who returns to practice for the State Board must be in proper dress code for that day.

Attendance Policy

Tardiness

You are expected to clock in each day by 8:45 a.m. You are tardy at 9:01 a.m. Theory begins each morning, Tuesday through Thursday at 9:00 a.m. Your attendance at theory is a state requirement. The Academy Director may take corrective action towards any student who is tardy or absent two (2) or more times within a month. Attending class on

time as scheduled helps you demonstrate your commitment to the program and keeps you in good standing at the school.

Attendance

The school records attendance in clock hours and gives appropriate attendance credit for all hours attended. The school does not add or deduct attendance hours as a penalty. Attendance is calculated using a manual time clock and does not round hours. In order to ensure proper clock hours are credited, full time students are required to clock in/out four (4) times per day: when they arrive to school, when they leave for lunch, when they return from lunch, and when they leave at the end of the day. If a student fails to clock in or out for their schedule on the student time clock, the student will not receive hours. If the student wishes to dispute any hours they feel earned, the student must provide documentation to verify attendance on the missing time form.

Make-Up Work

Absences are not excused for any reason. The school will however allow for students to take make-up tests up to three times only if the following requirements are met:

- All make-up tests must be scheduled with an instructor. It is the responsibility of the student to schedule the make-up test.
- 1st make-up test will be administered with the highest grade awarded being 90%.
- 2nd make-up test will be administered with the highest grade awarded being 85%.
- 3rd make-up test will be administered with the highest grade awarded being 80%.

Satisfactory Academic Progress Policy (SAP)

The school generally requires a higher standard of attendance and GPA than the Department of Education. As a student, you must meet consistent and reasonable standards of satisfactory academic progress, including a grade point standard and an attendance standard. This policy applies to all students enrolled in our diploma program and is evaluated in actual hours.

It is printed in the catalog to ensure that all students receive a copy prior to enrollment.

Cosmetology Course – 1600 Clock Hours (53.33 weeks / 13.33 months / 30 hours per week)

Grading Policy

The school gives grades for written work, exams, and the mock state board exam, weighted evenly. Examinations are given in all subjects. Students must receive a cumulative grade of 80% or higher on all written work and exams to maintain Satisfactory Academic Progress (SAP). We use the following grading scale to evaluate performance:

94% - 100%	Excellent Performance
87% - 93%	Very Good Performance
80% - 86%	Satisfactory Performance
79% and below	Unsatisfactory Performance

Evaluation Periods

Formal Satisfactory Academic Progress evaluations in both attendance and academics will occur when cosmetology students reach 400, 800, 1200, and 1600 actual hours. The first evaluation will occur no later than the midpoint of the academic year.

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. Satisfactory Academic progress evaluation records are reviewed and signed by the student and maintained in the student file.

Standard for Attendance

Students are required to attend a cumulative attendance of 67% or higher of their scheduled hours in order to be considered maintaining Satisfactory Academic Progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. If the student falls below the 67% at the time of evaluation the student will be placed on a SAP warning. At the end of the SAP warning if the student has failed to reach the 67% attendance rate the student may be terminated from the program. However, if the student has made significant advancement to meet the attendance standard of 67% and the Academy Director can reasonably determine

that the 67% attendance standard can be achieved, the student may then be placed on a probation status after a prevail upon appeal by the student has been approved allowing the student to continue in the program until the next evaluation period.

Maximum Time Frame

Students must complete the educational program within the maximum time frame, which does not exceed 150% of the course length (66.66 weeks) and is based on attending at least 67% of the scheduled hours.

Students who have not completed the course within the maximum time frame may continue as a student at the school on a cash pay basis and are subject to space availability.

Standard for Grade Point Average

Students must maintain a cumulative grade point average of 80% or higher in order to be considered maintaining Satisfactory Academic Progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. If the student falls below the 80% at the time of evaluation the student will be placed on a SAP warning. At the end of the SAP warning if the student has failed to reach an 80% grade point average the student may be terminated from the program. However, if the student has made significant advancement to meet the grade point average standard of 80% and the Academy Director can reasonably determine that the 80% grade point average can be achieved, the student may then be placed on a probation status after a prevail upon appeal by the student has been approved allowing the student to continue in the program until the next evaluation period.

Determination Of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making Satisfactory Academic Progress until the next scheduled evaluation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making Satisfactory Academic Progress while during the warning period. The student will be advised in writing on the actions required to attain Satisfactory Academic Progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, the student may be terminated from the program or placed on probation.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period may be placed on probation and considered to be making Satisfactory Academic Progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing of the actions required to attain Satisfactory Academic Progress by the next evaluation period. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for Satisfactory Academic Progress, the student will be determined as NOT making Satisfactory Academic Progress and the student will be terminated from the program.

Re-Establishment Of Satisfactory Academic Progress

Students may re-establish Satisfactory Academic Progress by meeting minimum attendance and academic requirements by the end of the warning or probation period.

Interruptions, Course Incompletes, Withdrawals, or Repetitions

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same Satisfactory Academic Progress status as at the time of withdrawal. Course incompletes, repetitions, and non-credit remedial courses have no effect upon the institution's satisfactory academic progress standards if the institution has no such items or policies.

Appeal Procedure

If a student is determined to not be making Satisfactory Academic Progress, the student may appeal the determination. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet Satisfactory Academic Progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation period. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the Satisfactory Academic Progress determination will be reversed.

Transfer Hours

With regard to Satisfactory Academic Progress, a student's transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Graduation Requirements

The school has set minimum standards for completion of the program. In order to graduate you must meet the following requirements:

1. Satisfy all state requirements, consisting of:
 - a. Completion of required number of clock hours of training
 - b. Completion of exams and course requirements
2. Fulfill theory and practical operations required by the state.
3. Comply with all policies in the Catalog.
4. Maintain a cumulative 80% or higher grade point average throughout the program.
5. Maintain a cumulative 67% or higher attendance rate throughout the program. Students who have not completed the course within the maximum time frame may continue as a student at the school on a cash pay basis and are subject to space availability.
6. Pay all tuition cost or make satisfactory arrangements for payment of all monies owed to the school.
7. Complete the Graduation Checklist: Obtain the necessary staff/faculty member signatures, and file the checklist with the School Administration.
8. Turn in all keys and school property. You will be charged a \$15.00 fee for each key that is not returned to the school. This charge must be paid prior to receiving your diploma.

Upon your satisfaction of the above criteria, we will issue a diploma to you and you will be recognized as a graduate of the school. We will report your graduation to the California State Board of Barbering and Cosmetology. You can then contact California State Board of Barbering and Cosmetology to request a state board exam date.

Once you successfully complete the course, pass the state board exam, and receive a license from the state, you are qualified to become a cosmetologist.

Requirements for Eligibility for Licensure

The California Board of Barbering and Cosmetology has defined the requirements for eligibility for licensure as a Cosmetologist as follows:

7321. The board shall admit to examination for a license as a cosmetologist to practice cosmetology any person who has made application to the board in proper form, paid the fee required by this chapter, and is qualified as follows:

- (a) Is not less than 17 years of age.
- (b) Has completed the 10th grade in the public schools of this state or its equivalent.
- (c) Is not subject to denial pursuant to Section 480.
- (d) Has done any of the following:
 - (1) Completed a course in cosmetology from a school approved by the board.
 - (2) Practiced cosmetology as defined in this chapter outside of this state for a period of time equivalent to the study and training of a qualified person who has completed a course in cosmetology from a school the curriculum of which

complied with requirements adopted by the board. Each three months of practice shall be deemed the equivalent of 100 hours of training for qualification under paragraph (1) of this subdivision.

- (3) Holds a license as a barber in this state and has completed a cosmetology crossover course in a school approved by the board.
- (4) Completed a barbering course in a school approved by the board and has completed a cosmetology crossover course in a school approved by the board.
- (5) Completed the apprenticeship program in cosmetology specified in Article 4 (commencing with Section 7332).

Standard Occupational Classification

The school's Cosmetology program prepares its graduates for the Job Classification of Hairdressers, Hairstylists, and Cosmetologists according to the United States Department of Labor's 2018 Standard Occupational Classification Code 39-5012 (Detailed Occupation).

Leave of Absence Policy

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during a program when a student is not in attendance.

In order to be placed on a Leave of Absence, the student must:

1. Complete and sign the school's Leave of Absence Request Form in advance and submit an exact date of return to the school.
2. Must state the reason for the Leave of Absence (LOA) request. Reasons for which a LOA may be granted are medical, personal, or vacation.
3. Must be approved by the Academy Director. Approval of a LOA is not guaranteed.
4. Must be in Satisfactory Progress for attendance at 67% or higher and grade point average at 80% or higher.
5. Leaves must be a minimum of five (5) calendar days and a maximum of sixty (60) calendar days and must not exceed a total of 180 days in a 12-month period.
6. Must complete a minimum of 400 clock hours prior to requesting a LOA.

The policy requires a student to apply in advance for an LOA unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to the school, the student would not have been able to request the LOA in advance.

The school may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances, if the school documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the school to be the first date the student was unable to attend the school because of the accident.

The school will extend the student's contract period and maximum time frame by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. The school may not assess the student any additional school charges as a result of the LOA. The student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA and that the student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance. In order to grant a leave of absence there must be the expectation that the student will be returning to school. A student who is granted a LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at that time.

Student Conduct

We want all of our students to be successful and to have an outstanding educational experience. To meet these goals, we have established a set of guidelines for student conduct. Failure to abide by these guidelines could cause disruption to the learning environment or negatively impact the educational experience for you and other students. Proper student conduct keeps our unique Spotlight Culture strong and helps you build a foundation for success. The school complies with all local, state, and federal laws that apply. We may take corrective action against students who violate the policies listed within this catalog, who interfere with another student's work, or who exhibit disruptive behavior.

Non-Smoking Policy

We provide a smoke-free environment for all students, staff, and clients. Students may not congregate or loiter in front of the school or in front of or near surrounding businesses at any time.

Safety Guidelines

In an effort to provide a safe environment for all of our students and staff, we have established the following safety guidelines:

- Walk through the school at all times. Running can lead to slips and falls.
- Keep aisles and work areas free from clutter and obstruction.
- Seek assistance from another person when lifting heavy items: do not lift alone.
- Immediately report any incident that results in an injury.
- Report anything that could cause an injury or place someone in a dangerous situation, such as chipped glass, broken equipment, sharp or rough edges, electrical problems, or water seepage or spills.
- Report any situation which may be suspicious or out of the ordinary.
- Use the fire escape routes in case of fire. Each classroom or area of the building has a designated escape route that must be followed in case of fire. These routes are posted throughout the building. Please inspect each area for the fire escape plan, as you will be working in various areas of the school.

Professionalism

We are focused on graduating professional hairdressers, thus we work hard to maintain the highest standards of professionalism throughout the building. Gossiping and engaging in inappropriate topics of conversation have no place in our professional environment. You should work to consistently maintain a professional demeanor with faculty, staff, fellow students, and clients. Keep conversations with clients positive and avoid sensitive topics such as religion, personal business, or gossip. Use of vulgar or profane language is not permitted. Treat your clients, instructors, fellow students, and administration with respect at all times.

Daily Duties

Per state regulations, the break room, classrooms, and clinic floor (shampoo area, laundry area, styling stations, etc.) should be properly maintained. All students will be assigned daily duties to help keep the school clean and well-maintained. When performing your daily duties, please be thorough and take pride in your work. Your duty should be completed thoroughly by 7:30 p.m., before you clock out. Before you leave each day, clean and sanitize your styling station and mirror. Remove all personal belongings from the school. The school cannot be held responsible for lost, damaged, or stolen items that remain in the building after hours. We provide you access to a locked trolley which may be used for storing items. Bear in mind that the safest place for your belongings is with you.

Eating/Drinking

Eating and drinking are not permitted on the clinic floor. You may enjoy refreshments and meals in our student break room.

Telephones

Cell phones and mobile communication devices are permitted in the classrooms, on the clinic floor or any school areas only for school and education related activities. Personal phone calls should be taken at break times only in the break room. Students who violate this policy may receive a corrective action, up to and including suspension or termination. The lobby phone is for the exclusive use of our clinic floor client bookings and may not be used by students.

Reception Desk

The heart of our clinic floor operations lies at the reception desk. Our receptionists work very hard to keep the clinic floor running smoothly. Please help them provide Spotlight Service to our clinic floor clients by allowing them space to work. Students are not permitted behind the receptionist desk at any time. You will need to work in the reception area when you greet your clients and when assisting them in making product purchases and checking out. At all other times, you should stay out of the reception area.

Client Services

In order to build proficiency with the new skills and techniques you will be learning in class, you will need to perform practical applications on clients. Our clients expect and deserve your best Spotlight Service. Greet every client in a

timely manner and deliver outstanding Spotlight Service until you have assisted them with checking out. Refusing service to a client or trading a client with another student will result in a corrective action, up to and including suspension or termination. When you finish every client service, an instructor should sign off before you take the client sheet to the front desk.

Confidentiality Policy

As your contract is made solely between you and the school, the information and details of the transaction are not to be shared with other parties. Additionally, any and all student advisement or conversation between any student and the administration is confidential and private. Do not discuss your contract or interaction with other parties among fellow students. Violation of this policy may lead to corrective action, up to and including termination.

Levels of Corrective Action

You will be thoroughly informed of our expectations of you as a student during your New Student Orientation. Your commitment to upholding the standards of conduct set forth by the school helps us maintain the Spotlight Culture and ensures that every student has a positive educational experience. Should your conduct, attendance, or academic performance require attention, the school administration may intervene with a corrective action.

The levels of corrective action may include the following:

Verbal Warning

When a student violates the school's policies, the student will be verbally informed of the violation that he/she committed. The verbal warning acknowledges the potential consequences for failure to correct the behavior.

Written Warning

Students who violate the school's policies will be issued a written warning which is to be signed by the student. The written warning acknowledges the consequences for failure to correct the behavior addressed in the verbal warning, which may be suspension and/or termination.

Suspension

Students who violate the school's policies may be immediately suspended or withdrawn from the school. Out-of-school suspension may last for a period of not less than one (1) day but no longer than (30) thirty days.

The school will assign a grade of Incomplete (I) to a student who withdraws if the student:

1. Withdraws for an appropriate reason unrelated to the student's academic status; and
2. Pays any balance due to the school.

A student who receives a grade of Incomplete may be eligible to re-enroll in the program during the thirty-six (36) month period following the date of withdrawal provided that the original balance to the school has been paid in full. All re-enrollments are subject to availability and must be approved by the Academy Director.

Student Complaint/Grievance Policy

We value your feedback about ways that we can continue to improve the education experience for you and your fellow students. We conduct monthly student surveys in which we request your feedback about your experiences at the school.

If you have a complaint that you feel needs more attention, please provide a written statement to the Academy Director. Upon receipt, the complaint may be discussed with the administrative staff and you will receive a response within five (5) working days.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet web site www.bppe.ca.gov.

Purpose of the Student Grievance Policy

The purpose of the student grievance policy is to provide a way for resolving student grievances of an academic nature at the local level.

General Grievance

The general grievance procedure as described below is for Academic Grievances. Academic Grievances include those based on items such as classroom procedures, complaints of unfair treatment by an instructor, complaints of unfair grades given by an instructor, absence and tardiness practices, course requirements that differ substantially from those set forth in the syllabus, and the right to participate in certain activities.

SPECIAL NOTE:

Any grievance involving a complaint of discrimination or sexual harassment should be directed to the Academy Director.

Academic Grievance Procedure

The following procedure is to be used to resolve an Academic Grievance. Generally speaking, once this process has begun, students should follow the procedure and not omit steps in the procedure. However, in extenuating circumstances, students may bring their grievance directly to the attention of the Academy Director. At any point in the procedure below, the school may require a written statement of complaint in order to proceed.

1. **The Offending Person** – the student should first make contact with the offending person to resolve their differences within five (5) school days.
2. **The Instructor** – if the complaint is not resolved in the informal conference with the offending person, the student may then discuss the matter with their instructor. The instructor may schedule a conference with the student and the other involved parties, or the instructor may bring the issue to the attention of the Education Director.
3. **The Academy Director** – if the grievance is not resolved by the instructor, the student may request a meeting with the Academy Director.

Student Services

As part of our Spotlight Culture, we provide a range of student services to support you in your education and to benefit you during your coursework. At any time during your enrollment period information is readily available to you in the Academy Director's office pertaining to counseling, crisis, substance abuse, and family violence. All requests for information will be kept confidential.

Housing

The school does not provide on-campus housing nor have any dormitory facilities under its control. The school is not obligated to provide housing and has no responsibility to find or assist a student in finding housing. However, there are rental communities nearby the institution's facility and the approximate cost of housing is between \$950 – \$1,650/month.

Student Advisement

Our administrators maintain an Open Door policy. Student Services and advisement are generally overseen by the Academy Director, but several other departments or individuals may be involved including Admissions. You are always welcome and encouraged to seek out the advice of the school administrators. We want to support you in your program and in reaching your educational goals. Where possible, we will assist you with issues that relate to your success in the program. The school does not provide psychological assessment or counseling to students in any manner or capacity. If you are in need of advice on personal issues, faculty or administrators may refer you to a licensed counselor. In such cases, we will provide you with a list of counselors published by the local school district to help you seek out the professional of your choice. The Resource Directory we provide is for informational purposes and serves only as a guide to you. We do not endorse, sponsor, or promote any of the resources/facilities provided.

Library/Resources

The bulk of academic material required for each course is covered during regular theory hours. We also maintain library resources to enhance your education. These resources consist primarily of teaching DVDs, trade magazines, specialty books, and may include online web-based information. You may review the resources available at designated areas in the school, upon request.

Placement

The school does not guarantee placement to any student. However, limited job placement assistance is provided to graduates at no additional charge. Upon graduation, the student's name is recorded in a placement register for the follow-up process. Results from the State Board of Cosmetology license examination are recorded as passed or failed. Students that failed the exam are encouraged to return to the school for assistance and guidance for subsequent attempts to pass the exam. Placement assistance is provided by reviewing the listings of salons seeking employees, their job requirements, salary, and other pertinent information. Students are referred to interviews and the results of these interviews are recorded in the placement register. The school may show prospective students this register upon request.

Student Benefits

Personal Services

We offer free hair cuts and a reduced cost for chemical services while you are enrolled at the school. You may receive services only upon approval from the Academy Director and must meet satisfactory attendance rate of 80% or higher two (2) school weeks preceding the scheduled service date. The school reserves the right to reschedule or cancel any student services. We service clients before we approve any student services. 1. Any monies due the student shall be refunded within 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:
 - a. A student is not accepted by the school. This student shall be entitled to a refund of all monies paid to the school.
 - b. A student (or in the case of a student under legal age, his/her parent or guardian) cancels his/her contract and demands his/her money back in writing, through attendance of the first day of class, or the seventh

- (7) calendar day after enrollment, whichever is later. In this case all monies collected by the school shall be refunded except a refundable application fee of \$100.00.
- c. A student notifies the institution of his/her official withdrawal in writing.
 - d. A student is expelled by the institution.
 - e. For official cancellations as defined in paragraphs b, c, d, or e, the cancellation date will be determined by the postmark on written notification at the following address: TONI&GUY Hairdressing Academy | TIGI Creative School, 2200 Eastridge Loop, Unit #1004, San Jose, CA 95122. Written cancellations need not take any particular form.
 - f. Monies paid for student kit, equipment, ebooks, and supplies are non-refundable after cancellation period. Once student kit is received by the student, it cannot be returned for sanitary reasons.
2. You have the right to cancel your enrollment contract and obtain a refund of charges paid through attendance of the first day of class, or the seventh (7) calendar day after enrollment, whichever is later. YOU MUST CANCEL IN WRITING. Students do not have the right to cancel by telephoning the school or by failing to attend classes.
 3. Any monies due a student who unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. Unofficial withdrawals are monitored every 45 days and a determination is made to withdraw a student who has been absent from school for fourteen (14) or more consecutive calendar days; the withdrawal date that will be used in this calculation is the student’s actual last date of attendance.
 4. Students who withdraw from the program are required to empty their locker/trolley and gather all personal items. Any items left behind by the student will be stored for 30 days, at which time the items become the property of the school.
 5. All extra costs, such as student kit, equipment, ebooks, supplies, application fee, and other such charges, are not considered in the tuition adjustment computation if the charges are itemized separately in the enrollment contract.
 6. Monies paid for student kit, equipment, ebooks, and supplies are refundable through attendance of the first day of class, or the seventh (7) calendar day after enrollment, whichever is later.
 7. If a course and/or program is cancelled subsequent to a student’s enrollment, and before instruction in the course and/or program has begun, the school shall either provide a refund of all monies paid or provide completion of the course and/or program.
 8. A student’s account will be sent to a collection agency for non-payment.
 9. If the school closes prior to completion of the educational program, it is in default of the enrollment agreement when an educational program is discontinued or canceled. Student institutional charges may be refunded on a pro rata basis if the Bureau determines that the school has made provision for students enrolled at the time of default to complete a comparable educational program at another institution at no additional charge to the students beyond the amount of the total charges in the original enrollment agreement. (also known as “Teach Outs”.) If the school does not make that provision, a total refund of all institutional charges shall be made to students.
 10. A student who fails to return from a leave of absence, the date of withdrawal determination shall be the student’s last day of attendance.
 11. A student is entitled to a refund of moneys not paid from federal student aid program funds.

Pro Rata Refund

The institution shall provide a pro rata refund of nonfederal student financial aid program monies paid for institutional charges to students who have completed 60 percent or less of the period of attendance.

Step 1: Identify all amounts paid for instruction less cost of student kit, equipment, ebooks, and supplies.

Step 2: Subtract Registration/Application fee not to exceed \$250.00. The school does not charge a registration fee the student is only charged an application fee of \$100.00.

Step 3: Apply a pro rata refund based on the percentage of *scheduled hours* in the program.

Below is an example of a **pro rata refund** for the **Cosmetology Program**: The amount listed is the amount a school may retain based on the percentage of *scheduled hours* in the program.

TUITION:	\$14,400.00
0% - 60% of scheduled hours:	\$0.00 - \$8,640.00
61% - 100% of scheduled hours:	\$14,400.00

You have the right to withdraw from a course of instruction at any time. If you withdraw from the course instruction after the period allowed for cancellation of the agreement, which is through attendance of the first day of class, or the

seventh (7) calendar day after enrollment, whichever is later, the school will remit a refund less an application fee, if applicable, within 45 days following the withdrawal. You are obligated to pay for educational services rendered and for a non-refundable application fee, student kit, equipment, ebooks, and supplies. IF THE AMOUNT YOU HAVE PAID IS MORE THAN THE AMOUNT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF WITHDRAWAL. IF THE AMOUNT YOU OWE IS MORE THAN THE AMOUNT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT. FOR NON-PAYMENT, YOUR ACCOUNT WILL BE SENT TO A COLLECTION AGENCY.

REMEMBER, YOU MUST CANCEL IN WRITING. You do not have the right to cancel by telephoning the school or failing to attend classes. If you have any complaints, questions, or problems that you cannot resolve with the school, write or call the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, www.bppe.ca.gov, toll-free number (888) 370- 7589 or by fax (916) 263 – 1897.

Student Tuition Recovery Fund Disclosures (STRF)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
